YMCA of Callaway County Inclement Weather Information

Facility Closures:

When inclement weather is forecast for our area, the Y will make facility decisions based on the following policies:

If Fulton Public Schools are canceled due to inclement weather, the YMCA will attempt to open at regular time at the discretion of administration with regards to travel conditions, parking and the safety of its staff and members. If conditions are deemed hazardous, the Y will delay opening by at least 2 hours. If it is a weekend and the weather is deemed hazardous the Y may delay opening by 2 hours.

The first day Fulton Public Schools are cancelled, morning Child Watch and morning Y-FIT group exercise classes are CANCELED. A decision regarding evening classes, programs and Child Watch will be made midday. If Fulton Public Schools are canceled for a second (third, fourth, etc) day in a row, the Y will resume normal hours for facility, Child Watch, classes and programs as long as road conditions permit.

If inclement weather forces us to close during operating hours, the decision to close will be announced 2 hours in advance of the early closing time.

ALL Information regarding closures, cancellations or delays will be posted on the YMCA of Callaway County website www.ymcaofcallaway.org and the YMCA of Callaway County Facebook page. A text about the closure, cancellation or delay will also be sent to all YMCA members via Textcaster. We will continue to post updates about the status of a delay or closure throughout that day. *If you have not signed up for Textcaster with the YMCA of Callaway County, you won't receive the text.*
