Y-Fit Class Descriptions

BODYPUMP : Challenge all major muscle groups by utilizing weight room exercises like squats, presses, lifts, and curls. Great music will inspire you to get the results you came for – and fast!

BUTTS & GUTS: Focuses on all core (abdominal and lower back) muscles along with your glutes.

CHAIR YOGA: A gentle form of yoga that's done while seated or using a chair for balance, makes the practice more accessible. In chair yoga, it's possible to move into poses like cat/cow, warrior, sun salutations and forward folds, all while seated.

FITNESS FUSION: Low impact class designed to exercise mind and body for overall fitness. Choreographed aerobic dance routines followed by a full body workout with light weights

HIIT: High Intensity Interval Training – It incorporates several rounds that alternate between several minutes of high intensity movements to significantly increase the heart rate to at least 80% of one's maximum heart rate, followed by short periods of lower intensity movements.

POWER 30: Interval training for all fitness levels. Combines body weight, muscle conditioning, cardio and plyometric training moves to invigorating music.

REFIT : The focus is structured around Cardio Dance movements, toning and flexibility, strength training and stretching are also incorporated into the REFIT workout.

Silver Sneakers : Silver Sneakers classes increase muscular strength, range of movement, and activity for daily living skills. A chair is used for seated and/or standing support.

YOGA: Designed as a physical, mental, and spiritual practice or discipline that aims to transform the body and mind through a series of controlled movements and breathing techniques. Feel free to bring your own mat.
